Hello OkACTE members

I would appreciate your vote for OkACTE President-Elect. I have been a certified teacher for 15 years and bring 20 years of industry experience to my classroom.

I appreciate the role OkACTE and BITE have played in my professional growth. I have been actively involved in the BITE Division, serving 2-terms as President, 1-term as North Central Vice-President, and have served on and chaired numerous committees. I have been active in OkACTE, serving on CTAC, Strategic Planning Team and PAC, and would like to represent you as your next OkACTE President-Elect.

Thank you for your support.
